INTERESTS

Web Design

Graphic Design

Illustration

PROFILE

I took interest in web development in early 2020. I soon grew a passion for front-end web development and webpage design. I have background in graphic design and illustration.

EXPERIENCE

World Time Zones App — 2021 https://jpablo73.github.io/time-zone/

World Time Zones application offers the user the ability to view the date and time of a major city from around the world. I contributed to this group project in the design of the webpage and wrote HTML & CSS / Bulma.

Paint it Black — 2021 https://jpablo73.github.io/Paint-it-Black/

Demo Web page for a Rolling Stones fan club "Paint It Black". Includes links to videos on YouTube and a link to The Rolling Stones official website. Developed with HTML and CSS.

PREVIOUS EXPERIENCE

Internet Sales Manager, New Century BMW; Alhambra, CA — 2017 - 2018
Sold new and used BMW automobiles by contacting potential buyers via the internet.

Internet Sales Manager, Norm Reeves Honda — 2013 - 2017
Sold new and used automobiles by contacting potential buyers via the internet.

- Honda Excellence Award 2016.

EDUCATION

University of California Riverside (UCR) — Software Engineer, 2021

Universidad Tecnologica de Mexico (UNITEC) — Graphic Design , 1997
